Dear prospective member,

This year's season runs from the 16th June 2019 to the 15th June 2020. (Inclusive)

You can fish for the 12 months on all our waters except Croft Lodge and The River Darwen which we strictly observe a Closed Season. Other rules apply and are detailed in our Membership rule Book and are in place to protect the local environment including some restrictions on overnight fishing. We pride ourselves on keeping our waters environmentally friendly, clean and a place for nature to live happily alongside the angler.

We have an active match scene both Junior and Senior, which all members are welcome to participate.

We also have an upcoming and exciting Junior Section which all juniors are urged to participate, it is an ideal platform for juniors from beginners to learn or improve their fishing skills. These are overseen by an Angling Trust Development Board Licensed Coach. All this is controlled by a dedicated Water Management Team, Committee and competent Bailiff presence to bring you the best sport possible.
